Temporary/Trailer Pole Lease Agreement

Tri-State EMC agrees to lease undersigned property owner,
_____, a temporary/trailer service pole.

The applicant agrees to pay Tri-State EMC \$30.00 (Thirty U.S. Dollars) per month lease fee. The lease starts the day that service is connected to the temporary/trailer service pole and ends the day that service to the temporary/trailer service pole is terminated. Billing will be in whole months only. For example, a pole leased for 2-1/2 months will be billed for three months. In the event that the temporary/trailer service pole is damaged, the applicant will be responsible for all costs before permanent service is connected.
